Education

DDS, School of Dentistry, College of Medicine,
National Taiwan University (1985)

Ph.D., Graduate Institute of Dental Science, College of Medicine,
National Taiwan University (1994)

Current position and relevant experience

Professor, School of Dentistry, College of Dental Medicine. Kaohsiung
Medical University, Kaohsiung, Taiwan

Dean, College of Dental Medicine, Kaohsiung Medical University, Kaohsiung,
Taiwan

Faculty, Department of Dentistry, Kaohsiung Medical University Hospital

Relevant experience: Endodontics, Periodontology/Implantology,
Pharmacology/Toxicology, Chemical carcinogenesis, Material biocompatibility,
Dental stem cells/tissue engineering, Growth factors/tissue regeneration,
Receptors/signal transduction, Mechanisms of pulpal/periodontal infection &
inflammation, Toxicology of betel quid

Specialty

Endodontics

Periodontology and Implantology
